The Why...

JUNE 2022

The annual **TOGETHER WE THRIVE** Casino Night is coming back this October for its 4th and best year... yet!

Casino night is an opportunity to share our mission and raise awareness and dollars for our Life Coaches as we seek to connect youth in need with a consistent influence. We hope you will consider partnering with us through our many sponsorship opportunities and auction donations for this spectacular event benefitting at-risk, homeless, fostered, and sex-trafficked youth in our communities across North Texas.

Sponsorships, tables, and individual tickets are available for purchase now! For those looking for more perks, there's also a VIP experience.

The beautiful Hilton Park Cities in Dallas is the perfect setting for an elegant Gatsby evening sure to create memories. The evening will also feature various casino games, a silent auction, and prizes. Enjoy live band sounds, fantastic food and complimentary drinks, and the unmistakable voice of a professional auctioneer auctioning off unique experiences and packages.

Please help us continue to hold the privilege and right in being the reminder to the youth we have—and have yet to help—that we stand by them by asking you to partner with us during this memorable event through sponsorship or live/silent auction donations.

You can read more about who we are, what we do, and the lives we have changed by visiting us at www.togetherwethrivetexas.org.

TRACEY HARDWICK | EXECUTIVE DIRECTOR

TOGETHER WE THRIVE

TOGETHER WE THRIVE

: Who coached you to finally be you?

Together We Thrive was founded in 2017 and **works with youth ages 16-24** who are aging out of the foster care system, were formerly incarcerated, are currently homeless or at risk for homelessness, are formerly sex trafficked or otherwise considered at-risk. We commit to being the **consistent influence** in the lives of youth who are navigating life on their own. **Together We Thrive will NEVER turn any youth away that is in need of help!**

"No young person deserves to do life on their own and especially in the community we call home."

— Tracey Hardwick
Founder & Director of TWT

Why?

*Across North Texas, our research shows that there are more than **10,000 youth** labeled "at-risk."

- *At-risk youth are less likely to be able to transition successfully to adulthood.
- * These youth are often from low-income homes, challenged by years of adverse life situations, low-educational attainment, and family instability-all of which impact their chances of gaining economic self-sufficiency, job readiness skill, and healthy relationships.
- * At-risk young people without a "consistent adult influence" over-index in skipping school, underage sex, gang participation, violent/aggressive activity, and theft/petty crime.
- * When at-risk youth have a "consistent influence" in their life, they are shown to have improved life skills, improved behavior, increased academic achievement, increased self-esteem, and increased self-control.

The impact on their future is immeasurable!

Together We Thrive (By the Numbers)

- * TWT currently serves over **150 youth**
- * Provides over **7,000 hours of life coaching** annually to at-risk youth
- * Currently working in partnership with **Dallas ISD** and **Frisco ISD**
- * **75%** of students in our group sessions will remain in school and make progress toward graduation.
- * **90%** of students who are matched 1:1 with a Life Coach will remain in school and make progress toward graduation.
