

# TRANSFORMING LIVES THAT TRANSFORM COMMUNITIES

## Vulnerable Youth in North Texas

1 in 3

youth will navigate  
life on their own.

There are more than **10,000** at-risk youth in public schools across North Texas. These youth are at risk of not graduating from high school, experiencing homelessness, stepping into adulthood without the resources and tools to navigate life, being incarcerated, self-harming...dying by suicide. The labels these youth are carrying is not what they've asked for nor deserve. We believe that every youth can rewrite their story. Every youth deserves someone who believes in them!

## Our Impact

Since 2018, Together We Thrive has committed to working with vulnerable youth across North Texas. Life Coaches are the tangible way we fulfill our mission of being a consistent influence in the lives of these youth. They are paid staff who consistently engage in schools, youth programs, transitional homes, wherever there are youth in need.

- We serve more than **150** vulnerable youth each week across North Texas.
- We provide more than **7,000** hours of life coaching each year.
- We currently work in partnership with Dallas ISD, Frisco ISD, The Juliette Fowler Youth Support Center and The Ebby House.
- **75% to 90%** of students we work with remain in school and make progress toward graduation.
- **We are a Fellow of the United Way Social Innovation Accelerator Program, a prestigious designation only awarded to 10 non-profits each year.**
