

The background is a blurred photograph of a woman with long dark hair, wearing a blue polo shirt, smiling while looking at a laptop. The image is overlaid with a semi-transparent blue rectangle. In the top right corner, there is a large orange circle. In the bottom left corner, there is a large yellow circle. Both the orange and yellow circles contain a grid of small dots in their respective colors. The text "TOGETHER WE THRIVE" is centered in white. The word "TOGETHER" is in a bold, sans-serif font, while "WE THRIVE" is in a thinner, all-caps sans-serif font. The letter "O" in "TOGETHER" is replaced by a colorful icon of five stylized human figures in green, orange, blue, pink, and yellow, arranged in a circle around a red heart.

# Our Mission

**TOGETHER WE THRIVE** aims to connect at-risk, homeless, foster, and sex trafficked youth across North Texas with their community. We commit to walk beside these youth while helping them rewrite their future. We seek to replace labels of loneliness and hopelessness that once defined them with opportunities and the ability to get to a place of sustainability. **We are on a mission to transform lives that transform communities.**

# Vulnerable Youth in North Texas

There are **MORE THAN 10,000** vulnerable youth across North Texas. Most of these youth have experienced adverse childhood life events, such as abuse, neglect, and homelessness, that affect their ability to transition into a self-sufficient adulthood. Vulnerable youth are more likely to:

● **Skip school**

● **Engage in underage sex**

● **Participate in gang activity**

● **Show aggressive behavior**

● **Commit petty crimes**

# A Consistent Influence

**Who Coached You to  
Finally Be You?**

Youth who have a consistent influence in their lives show improved skills and behavior, increased academic achievement, enhanced self-esteem, and more self-control.

We provide this consistent influence through **Life Coaches and Community Coaches**. Life Coaches are paid staff members at Together We Thrive, who work with vulnerable youth in schools, transitional homes, and youth centers across North Texas. Community Coaches are trained volunteers who are committed to doing life with youth.

# Our Impact

**300+**

We serve more than 300 youth across North Texas each week.

**10,000+**

We log more than 10,000 hours with youth across North Texas each year.

**41**

Last year, we helped 41 at risk youth successfully graduate high school.
