#### SATURDAY, OCTOBER 21, 2023 THE HUB IN ALLEN, TEXAS

Together We Thrive will host our 5th Annual Casino Night on Saturday, October 21, 2023 at The Hub in Allen, Texas. This country casino affair benefits vulnerable youth across North Texas. Don your favorite cowboy boots and hat, and come with a heart to help transform lives that transform our community!

Casino night is a special opportunity to raise awareness and support for our mission as we seek to inspire real change in vulnerable youth through meaningful, consistent relationships with our Life Coaches. We are aiming to raise \$200,000 to support our mission! We invite you to be a part of transforming North Texas by partnering with us for our 5th Annual Casino Night through our many sponsorship and donation opportunities. Sponsorships, tables, and individual tickets are available for purchase. We are also offering a fun Early Access option for those who would like more time to mix and mingle with like-minded individuals!

The Hub in Allen is the perfect setting for a night full of fun with friends new and old! There will also be various casino games, a silent auction, and prizes. Enjoy live band sounds, fantastic food and complimentary drinks, and the unmistakable voice of a professional auctioneer auctioning off unique experiences and packages. Please help us continue to hold the privilege and right in being the reminder to the youth we have — and have yet to help — that we stand by them by asking you to partner with us during this memorable event through sponsorship or live/silent auction donations. Tracey Hardwick
Founder & Executive Director

Together We Thrive was founded in 2017 and works with vulnerable youth ages 14-24 who are aging out of the foster care system, were formerly incarcerated, are currently or at-risk of experiencing homelessness, are formerly sex-trafficked or otherwise considered vulnerable. We commit to being a consistent influence in the lives of youth who are navigating life on their own. Together We Thrive will never turn away any youth who is in need of help!

# "No young person deserves to do life on their own – especially in the community we call home."

- Tracey Hardwick, Founder & Executive Director

Our mission is to champion the advancement of every youth in North Texas who has been unjustly labeled. We aim to transform the lives of vulnerable youth, standing in the gap for youth who are living in survival mode, and navigating life without a consistent adult. Our Life Coaches walk alongside these youth who are surviving to a place where they are thriving – removing labels that once defined them, labels that they didn't ask for nor deserve.

### **Our Impact in 2022**

- Served 611 vulnerable youth.
- Provided 3,154 Life Coach hours in the community.
- Provided 4,881 snacks, 215 meals, and 2,520 waters.
- Saw 53 youth graduate
- 100% of our youth successfully completed their school year!
- 91% of our youth say they have better coping skills.
- 92% of our youth say they feel more hopeful about their future.
