SPONSORSHIP OPPORTUNITIES

T  **GETHER**
WE THRIVE

Our Mission

Across North Texas, there are more than **10,000 vulnerable youth** – youth who have experienced hunger, homelessness, neglect, and abuse. Things no young person should endure. **1 in 3 youth** in our community will navigate life on their own. We believe that the future of our community depends on our youth today. We are dedicated to providing these youth with a consistent influence to help them rewrite their stories and achieve their dreams. **Together We Thrive** stands in the

gap for vulnerable youth who need to know that someone believes in them. Our Life Coaches are full-time staff members who provide a consistent influence at schools, youth programs, and transitional homes. Every week, our Life Coaches teach valuable life skills to help more than 600 youth go from surviving to thriving. We have seen and believe that when youth have a consistent influence in their lives - it **transforms lives that transform communities!**

Be The Difference

We are excited to share with you our **8th Annual Playing for a Purpose Women's Doubles Tennis Tournament**. Playing for a Purpose is an event that combines the passion for tennis and the desire to transform the lives of vulnerable youth across North Texas. Women of all levels have gathered for the past 7 years to compete in our tournament. There are numerous ways for you to get involved and be the difference for vulnerable youth here in our community while reaching a passionate group of tennis players!

About Playing for a Purpose

Every year, Together We Thrive hosts approximately 100 guests at our highly competitive and fun-filled event! Playing for a Purpose features a warm up with area tennis pros, live opportunities for vendors, mystery bags, silent auction, dinner, drinks, and awards. **Don't miss out on being a part!**
